

# BOURGOGNE ROSE

## GRAPE VARIETY

---

100% Pinot noir

## SOILS / CLIMATE

---

Situated in the heart of Burgundy in L'Yonne, on the edge of the Chablis appellation on Kimmeridgian clay-limestone soils typical of the region. All the vines face south or south-east.

## CHARACTER OF THE WINE

---

Produced in good years, it has a pretty pink colour. Its nose is fresh and fruity. On the palate, it is well-balanced, full-bodied and delicious, with notes of fresh fruit and strawberries.

## SHELF LIFE

---

It can age between 2 and 3 years.

## FOOD AND WINE PAIRING

---

It is ideal as an aperitif or with starters, and goes very well with spicy dishes, grilled meats and certain cheeses.

## OPERATING TEMPERATURE

---

It is served at around 12°C.
